### About Water Tower Research

Water Tower Research is modernizing Investor Relations through research-driven communications and Investor Engagement. Sound investment research begins with good information. At WTR, we help companies and investors connect by creating expert information flow and strategies that are the foundation of a successful modern investor relations platform. Our analysts and capital markets professionals bring decades of unrivaled Wall Street experience and insight to a new digital world of investor communications and engagement. Our research and investor content is distributed across traditional research aggregators like Bloomberg, FactSet, etc., proprietary direct distribution lists, social media, search engines, and our website. As a result, every institutional and retail investor has equal access to our high-quality company research. Our mission is to help companies proactively reach investors while bringing investors a consistent flow of quality information to help them understand our clients' businesses, industries, and the investment opportunities they present.
